

## AUDIENCE RESPONSE FOR 'THE GOLEM'

I've been raving about Sunday's movie performance to my friends. Your music performance and singing was fantastic. It made seeing the film like going on a magical trip. I hope lots more people will get the opportunity to experience this.

What a magnificent experience! The combination of your performance of music we truly love and a film of great emotion (amazing for 1920) was and is something we will always remember! Thank you so much for sharing your artistry and vision with us!
